Face to Face VET Screen and Media Professional Learning

Date: Friday 14th March 2025

Time: 8:30am-4pm, followed by an hour of drinks and networking

Location: SAE University College, 1235 Normanby Rd, South Melbourne VIC

Cost: \$295 (incl. GST) morning tea, lunch, and post-event drinks provided

About the Event

Join COSAMP, a ReadCloudVET RTO, in partnership with SAE University College and The Australian Teachers of Media (ATOM Vic), for an engaging and hands-on Professional Learning day designed specifically for VET Screen and Media trainers. This workshop offers a unique opportunity to learn directly from industry experts, enhancing your knowledge and practical skills while supporting the professional learning required to maintain industry currency and meet regulatory standards.

Throughout the day, you'll collaborate with fellow educators, exchange ideas, and apply your learning in real-world contexts. The workshop is structured into three dynamic sessions, each focusing on key areas of Screen and Media education:

- Crafting compelling scripts and storytelling
- Exploring camera techniques and shot composition
- Mastering editing skills, from cutting to post-production

This workshop aligns with **CUA31020 Certificate III in Screen and Media** Units of Competency, covering essential skills in scriptwriting, camera work, and video editing to help you deliver industry-relevant education to your students.

About COSAMP

COSAMP (RTO 41549) is part of the ReadCloudVET group, working alongside AIET (RTO 121314) and Ripponlea Institute (RTO 21230) to empower students with the knowledge and skills for fulfilling careers. We're dedicated to providing flexible pathways that start early in high school and offering ongoing support to schools throughout their program.

Ripponlea Institute delivers the TAE40122 Certificate IV in Training and Assessment, including the TAESS00019 Assessor Skill Set and TAESS00024 VET Delivered to School Students Teacher Enhancement Skill Set for secondary school teachers. Our goal is for teachers who complete the TAE with us to feel passionate about teaching VET, and to be both competent and confident as they get started.

About SAE University College

State-of-the-art facilities, teaching staff with strong industry experience, amazing work placement opportunities and practical project-based learning in small classes, provides students with an unparalleled creative media learning environment.

About The Australian Teachers Of Media (ATOM)

ATOM is an independent, not-for-profit, association that has been promoting the study of media and screen literacy for over 50 years. Our goal is to empower students, teachers, educators, parents, and the community at large to analyse and better understand the Australian screen products we consume, whether in classroom, at home or in cinemas.

ATOM has formerly published the critically acclaimed Metro Magazine and Screen Education. Metro covers screen production from Australia and the Asia-Pacific region and publishes longform articles more suited to screen industry professionals, film enthusiasts, and senior secondary and tertiary film and media educators and students.
